

FCIF-3-05

3dB, 5K

Features:

- * Cryogenic Stability
- * Exceptional Optical Performance
- * High Sensitivity

Applications:

- * Astronomical Detection
- * Military and Aerospace
- * Quantum Technology

Electrical

Attenuation: 3dB min. @1GHz
50dB min. @8GHz
50dB min. @18GHz

Mechanical

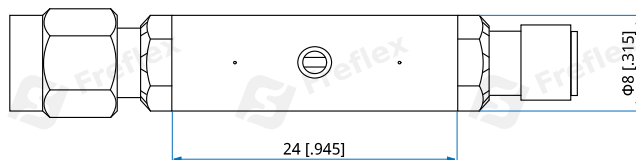

Size^{*1}: 24* Φ 8mm
0.945* Φ 0.315in
RF Connectors: SMA
Cavity: Gold plated copper
Weight: 15g max.

[1] Exclude connectors.

Environmental

Operating Temperature: 5K (-268.15°C) max.
Non-operating Temperature: -55~+85°C
